I hereby announce myself a candidate for the office of Connty Supervis r, subject to the action of the Democratic primary.

T. C. LEITNER.

FOR COUNTY SUPERVISOR.

Your twentieth century candidate Will to-day appear, Who will make the winning race,

All foolishness I have left behind, I am business from the jump; No jokes nor jist, the like and sich, You'll hear upon the stump.

Although 'tis no disgrace, Disfigures any face. Improvements shall my platform be,

Improvements on every hand, Improvements from Broad river bank All over Fairfield's land. Improvements on all the highways.

Improvements on the long, rough With shovel, pick and hoe,

Where we can scurcely go. Improvements on those rib-breakers, And they are not a few;

Improvements on the neglected roads And on the rocky hills,

And choose a man who'll do his best

Though I will let that be; Improvements you shall see. Where all the crops are raised,

While they are passing through.

Improvements on the old clay soil, The same in sand be found, As the years roll round.

With grandeur and with pride, Now on every side.

The time is here that we must move In the Palmetto State.

it, and now am well and strong, I D. H. Wilson, can't say too much in its praise." This John D. Young John D. Young. Cinthia Brown, Becky Beam, Cinthia Brown, Mary Ana Brown, Mary Carlisle, H. A. Clink,

QUART BCTTLES. "DANGER IN THE EARTH AND AIR; DANGER EVERYWHERE."

My firm belief, is "that medical science is certain yet to show that all diseases without exception are caused by invisible germs which are living organisms. Here is the germ of that terrible disease diphtheria. Here is the bacillus these and no harm was done. In one seem to be on fire. The woman who of typhoid fever; and here is the still more dreadful bacillus of tubercle which causes that most destructive of all diseases, consumption. This of that very common and supposed incurable disease, catarrh."

> The Doctor answered. "Catarrh, like diphtheria, consumption, typhoid fever, and a host of other diseases, is the result of a microbe invading the blood and attacking specially the mucous membrane. This foul and most disgusting disease is especially prevalent in the United States and it is rare to meet one who is not, or has not been troubled more or less with it. How often is he or she obliged to remain at home from pleasant entertainments, deprive themselves of many intellectual treats, from fear of the disagreeable odor arising from catarrhal affections. In its worst phase, the patient becomes loathsome both to himself and his friends.

> tarrh is to medicate the blood. This can be done only by powerful alteratives which act as blood purifiers.'

> Betsy A. Marett, of Manistee, Manistee Co., Mich., writes: Dear Sirs:—For ten years I was a sufferer from general debility and chronic catarrh. My face was pale as death. I was weak and short of breath. I could awful pains in the small of my back. 1 had a continual feeling of tiredness. My muscular power was almost entirely gone, and I couldn't go half a dozen It seemed as though the blood had left my voins. The dochealth. I continued its use, and felt I was growing stronger; my sleep was re-

And let the water through. M. A. Dickerson, C. A. Dickey,

Improvements here to make.

The quarries too are on a boom

Wherever duties call,

Mr. J. E. Lilly, a prominent citizen forgotten by those who witnessed it. of Hannibal, Mo., lately had a won-Just before totality a mocking bird derful deliverance from a frightful Jas. H. Steele, began his sweet evening song, the ehickens began to crow and the cows who is not on good terms with his began to low, and as totality was ran into Pneumonia. My lungs bewife, went into Mr. Mobley's yard reached a deep silence came over came hardened. I was so weak I and demanded his pocket book of her everything. It is no use to attempt to couldn't even sit up in bed. Nothing J. M. Wilson. describe it. One of the most gorgeous helped me. I expected to soon die of sights was the sky in the west fringed Consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use

ble conditions. The world will look marvellous medicine is the surest and was set on fire near her bed. It burnt with interest for the result of their quickest cure in the world for all Throat and Lung Trouble. Regular a man to crawl through but was extinguished with a few buckets of many of them will be from negatives taken at Winnsboro.

CATARRH CAN BE CURED BY Johnston's Sarsaparilla

A Wise and Venerable Doctor Talks about Advanced Science. In a leading hotel, in a great city, a famous and aged physician was conversing. Listening to his wise and sententious discourse, were a group of well dressed men, evidently lawyers, business men and commercial travelers.

"I wish, Doctor," said the traveling man, "that you would tell us about catarrh. I have had it for years, and I am thoroughly discouraged."

"I believe," continued this great physician, "that the true way to heal ea-

hardly walk, I was so dizzy and had a ringing in my head all the time. My hands and feet were always cold. My appetite was very poor. On getting up in the morning, my head swam so I was often obliged to lie down again. I had appetite was very poor. steps without stopping to rest, and often that much exercise caused me to have a pain in my side. exposition on a large scale was too and I suppose just now we may at-big a job for the staid old city of tribute it to that middling moon Charleston to undertake, and it will which is making nearly to come bereceived the endorsement of the Gover- heat and shut out its light with her freshing, and it seemed as if I could feel new blood moving through my veins.
